

HOW TO ENTER A SWIM MEET

Info for New Parents and Swimmers

When a meet is coming up a dodger/flyer is posted on this website and also posted on the club notice board at the deep end of Naenae pool. This outlines the events available for entry, the swim meet rules, the cost of entry per event and the closing date for entries.

Late entries will not be accepted

Entry forms: there are printable entry forms on the website and entry forms at Naenae next to the notice board above the box. The form needs to be filled out; selecting the races the swimmer wishes/qualifies to compete in. Then put into the box with the money either cash or cheque made out to swim city aquatics.

Your meet entries can also be emailed to the Race Secretary. The money still needs to go into the box at Naenae.

Changes cannot be made after they leave the Race Secretary's hands and usually entry fees are not refundable.

All race entries must be made through the Race Secretary. Any contact with meet organisers must also be made via the Race Secretary.

Once the meet is over, all meet results are reported by the race secretary then they are posted onto the website and the notice board at Naenae pool.

Official times are used to see if a swimmer's time meets the time standards set for a selected meet.

They are also used for selecting regional teams and relays. It is important for all swimmers to keep times in all distances and strokes up to date as selections are based on official times and cannot be submitted to Wellington Swimming Association if they are too old.

The Race Secretary and/or coach can assist with meet criteria and suitability if required, as they usually know which level of swimmer each meet is targeted at.

Meet entries for younger swimmers should always be made with the consultation of the coach.

Feel free to ring/email the Race Secretary with any meet enquiries as they will make the necessary calls to get the information if it is not at hand.
